-DEMO MODEL SALE-

Take advantage of these Low, LowPRICES!!! Hurry quantities are LIMITED

PARCO: ADVENTURER SERIES, Model 2200

• Locked on 10x widefield eyepiece with pointer • 4x, 10x, 20xR (spring loaded retractable) achromatic objectives are locked in and mounted on an indexed revolving nosepiece • 3½" movable round stage, rotates 360° with locked-on spring mounted stage clips • Rack and pinion focusing with a slip clutch mechanism to prevent gear damage • Prism illumination • Complete with a dust cover and instruction manual. **Your Cost: \$60.00**

PARCO: ADVENTURER SERIES, Model 2400RC Same features as the ADV-2200, with 4x, 10x, 40xR (spring loaded retractable) achromatic objectives and a LED Rechargeable Illuminator. **Your Cost: \$80.00**

PARCO: EPS SERIES, Model 202

• Locked-on 10x widefield eyepiece with pointer • 4x, 10x and 20XR (spring loaded retractable) achromatic objectives are locked in and mounted on an indexed revolving nosepiece • Large 90mm x 90mm stage plate with disc diaphragm and locked-on stage clips • Rack and pinion focusing, with a slip-clutch mechanism to prevent gear damage • 15w tungsten locked-on illuminator • Exclusive metal base that rotates enabling vertical or inclined viewing • Base and stand are epoxy coated • Includes a dust cover and instruction manual. **Your Cost: \$75.00**

PARCO: PBC Series, Model 202L

• Locked-on 10x widefield eyepiece with pointer • Monocular head, rotates 360° • Revolving triple reverse nosepiece with positive stops • 4x, 10x, and 40XR (spring retractable) objectives for a maximum magnification of 400x • 3½" movable round stage, rotates 360° with disc diaphragm and locked-on spring mounted stage clips • Coarse focusing with a built-in slip clutch system to prevent gear damage to the gears • LED corded illumination • Comes complete with dust cover and instruction manual. **Your Cost: \$75.00**

PARCO: PBC SERIES, Model PBC-202LRC Same features as the PBC-202L, with LED Rechargeable Illuminator. **Your Cost: \$85.00**

PARCO: PSC Series, Model 61RC

• Locked-on 10x widefield eyepiece with pointer • 45° inclined head • Revolving triple nosepiece with positive click stops • Three color coded parfocal objectives 4x, 10x, 40xR (spring retractable) • 3½" movable round stage, rotates 360° with disc diaphragm and locked-on spring mounted stage clips • Rack & pinion focusing with slip clutch system to prevent gear damage and a safety stop to prevent damage to slides and objective lenses • Coarse focusing control only • LED cordless locked-on illuminator • Comes complete with a dust cover and instruction manual. **Your Cost: \$95.00**

PARCO: PBS Series, Model 502D

• 10x widefield eyepiece, locked on with calibrated pointer • Monocular head rotates 360° • Reverse nosepiece for more working room on stage • Objectives are DIN achromatic 4x, 10x, 40xR, 100xR oil • Built-in mechanical stage • Tungsten illumination • Coaxial coarse and fine focusing • 1.25 N.A. Abbe condenser and iris • Positive stops at both ends of travel to prevent damage to delicate specimens or optics • Comes complete with dust cover and instruction manual. **Your Cost: \$225.00**

PARCO: PBS Series, Model 503LRC Same features as the PBS-502D, with a Dual Viewing head and LED Rechargeable Illuminator. **Your Cost: \$255.00**

ALL MICROSCOPES COME WITH A 90-DAY WARRANTY

PARCO: BMT SERIES, Model 402D

• Locked-on 10x wide-field eyepiece with calibrated pointer • Monocular, 360° rotating body tube • Three-position nosepiece with color coded DIN achromatic 4x, 10x, and 40XR (spring loaded retractable) objectives • 115mm x 120mm plain stage, with locked on spring mounted stage clips • Rack and pinion focusing, with a slip-clutch mechanism to prevent gear damage • 20w tungsten illumination • Comes complete with dust cover and instruction manual. **Your Cost: \$145.00**

PARCO: PSC SERIES, Model PSC-90F

• Locked-on 10x wide-field eyepiece with calibrated pointer • Monocular, 360° rotating body tube • Three-position nosepiece with color coded DIN achromatic 4x, 10x, and 40XR (spring loaded retractable) objectives • 115mm x 120mm plain stage, with built-in 0.65 N.A. condenser and locked on spring mounted stage clips • Rack and pinion focusing, with a slip-clutch mechanism to prevent gear damage • Fluorescent illumination • Comes complete with dust cover and instruction manual. **Your Cost: \$165.00**

PARCO: PSC SERIES, Model PSC-90 Same features as the PSC-90F with 20 watt tungsten illumination. **Your Cost: \$165.00**

PARCO: PSC SERIES, Model PSC-90 Same features as the PSC-90F with LED illumination. **Your Cost: \$165.00**

PARCO: EDS SERIES, Model EDS-420LRC

• Locked-on 10x wide-field eyepiece with calibrated pointer for measuring • Monocular 45° inclined head– rotates 360° • Four-position reverse nosepiece with color-coded DIN 4x, 10x, and 40XR (spring loaded retractable) achromatic objectives • Disc diaphragm • Coaxial focusing • Stage is 4 3/4" x 4 5/8" with built-in mechanical stage • LED corded illumination • Includes instruction manual and a dust cover.

Your Cost: \$205.00

PARCO: EDS SERIES, Model EDS-440LRC Same features as the EDS-420LRC, includes a 100XR oil objective. **Your Cost: \$250.00**

PARCO: EDS SERIES, Model EDS-460LRC Same features as the EDS-440LRC, includes a Binocular head, 2-10x WF and variable halogen illumination. **Your Cost: \$310.00**

PARCO: LTM SERIES, Model LTM-302C

• Locked on DIN 10x widefield 18mm eyepiece with pointer • Monocular head • Three-position nosepiece with color coded DIN achromatic 4x, 10x, and 40XR (spring loaded retractable) objectives • 115mm x 120mm plain stage, with locked-on stage clips • Fixed 0.65 N.A. condenser • Separate coarse and fine focus with rack and pinion mechanisms with built-in slip clutch system • Built-in 20w tungsten in base illumination • Includes instruction manual and dust cover. **Your Cost: \$190.00**

PARCO: LTM SERIES, Model LTM-402C

• Locked on DIN 10x widefield 18mm eyepiece with pointer • Monocular head • Four-position nosepiece with color coded DIN achromatic • 4x, 10x, 40XR and 100XR oil (spring loaded retractable) objectives • 115mm x 120mm stage, with top-mount mechanical stage • Adjustable 1.25 N.A. Abbe condense • Separate coarse and fine focus with rack and pinion mechanisms with built-in slip clutch system • Built-in 20w tungsten in base illumination • Includes instruction manual and dust cover. **Your Cost: \$255.00** (Shown with DUALVIEWING HEAD)

PARCO: LTM Series, Model 0302

• Locked on DIN 10x widefield 18mm eyepiece with pointer • Monocular head • Three-position nosepiece with color coded DIN achromatic • 4x, 10x, and 40XR (spring loaded retractable) objectives • 115mm x 120mm plain stage, with locked-on stage clips • Fixed 0.65 N.A. condenser • Separate coarse and fine focus with rack and pinion mechanisms with built-in slip clutch system • Built-in 20 watt tungsten in base illumination • Includes instruction manual and dust cover. **Your Cost: \$180.00** (Shown with REVERSE NOSEPIECE)

PARCO: LTM Series, Model 0402-2

• Locked on DIN 10x widefield 18mm eyepiece with pointer • Monocular head • Four-position nosepiece with color coded DIN achromatic • 4x, 10x, 40XR and 100XR oil (spring loaded retractable) objectives • 115mm x 120mm stage, with top-mount mechanical stage • Adjustable 1.25 N.A. Abbe condense • Separate coarse and fine focus with rack and pinion mechanisms with built-in slip clutch system • Built-in 20 watt tungsten in base illumination • Built-in fluorescent in base illumination • Includes instruction manual and dust cover. **Your Cost: \$255.00**

(Shown with REVERSE NOSEPIECE)

PARCO: LTM Series, Model 0402-100x Same as model LTM-0402-2 without 100X oil objective and mechanical stage. **Your Cost: \$215.00**

PARCO: LTM-800 Series, Model 803

• 10x widefield 18mm eyepiece(s) with pointer • Dual viewing head • Four-position nosepiece with color coded DIN achromatic 4x, 10x, 40XR and 100XR (spring loaded retractable) objectives • 140mm x 120mm stage with built-in mechanical stage with low position coaxial controls • 1.25 N.A. abbe condenser has an adjustable iris diaphragm with blue filter • Coaxial coarse and fine focusing • Six-volt variable halogen illumination • Includes instruction manual and dust cover. **Your Cost: \$300.00** (Shown with BINOCULAR BODY)

PARCO: RCM Series, Model 602

• Monocular head rotates 360° • 10x widefield eyepiece with pointer • Four position reversed nosepiece • DIN achromatic objectives 4x, 10x, 40xR or 100xR oil. Both the 40xR and the 100xR are retractable • Objectives are parfocaled and parcentered • Coaxial focusing • Positive stops at both ends of travel to prevent damage to specimens or optics • Built-in mechanical stage allows smooth X-Y travel in 1mm graduations • Rack and pinion, adjustable 1.25 N.A. Abbe condenser and iris diaphragm • Field diaphragm • 20w Tungsten illumination • Includes instruction manual and dust cover. **Your Cost: \$295.00** (Shown with BINOCULAR BODY)

PARCO: RCM Series, Model 602-100x Same as features as the RCM602, without 100X oil objective. **Your Cost: \$240.00**
